

Offspring's
Teddy Bear Clinic

Offspring's Teddy Bear Clinic

Offspring's Teddy Bear Clinic

is a fun and interactive program run by Paediatricians and allied health, aiming to familiarise kids to medical check-ups and procedures.

- Give your Teddy a check-up
- Get Teddy X-rays
- Diagnose your Teddy with an illness
- Help your Teddy get their stuffed-animal treatment
- Learn about healthy diets and lifestyles

Offspring
Child Health Specialists

Bring your
favorite stuffed
animal for a **FREE**
health check-up!
